

Profile of ASHANKURA Trust

Started in the year 2012 with a goal of **“Empowering Migrants Communities to Have Dignified Life in the Society” – EMCDS**. It has registered office at 1H- 48, 2ND Cross, Ramachandra layout, New thippasandra, Bangalore 560 075

We have been active working with migrant laborers to educate and promote migrants to organize themselves for their effective participation in socio-economic and political arena of the community and society lives in with equal respect and dignity.

We works with Government and NGO networks in such activities which help these marginalized community in accessing their Rights and facilities.

Major activities include help migrant children to access education; promote savings, to create awareness to access entitlements, encourage youth to get into vocational courses that enables them to get better job opportunities on health & Hygiene, participating in the survey of homeless people across Bengaluru, arranging health camps at different locations.

In 2019- 2020 we intend to organize more health camps in homeless/migrants pockets so that people access medicines for simple ailments including Diabetic, BP, etc. Help people to have check up of malnutrition, tuberculosis, asthma, etc. which are commonly found among them and enable them to access proper medicines. It has been organizing camps earlier
